Mantova Village, dove lo shopping ha un altro fascino.

Culla del rinascimento, della signoria dei Gonzaga e del poeta Virgilio, Mantova è un gioiello d'arte e architettura, circondata dall'acqua e segnata da una prestigiosa storia che la rende un luogo di cultura dal fascino senza tempo. Mantova Village si ispira a tutto questo ed esprime la sua unicità offrendo agli ospiti un'esperienza fatta di eventi, cultura, tradizioni e sapori autentici, che va ben oltre lo shopping.

Mantova Village, where shopping has a unique appeal.

Cradle of the renaissance and the signory of the Gonzagas, birthplace of the poet Virgil, Mantova is a jewel of art and architecture, a cultural centre of timeless appeal surrounded by water and steeped in history. Inspired by all this, Mantova Village expresses its uniqueness by offering guests an experience that is shaped by events, culture, tradition and genuine flavours, adding another dimension to your shopping.

Mantova Village, wo das Einkaufen einen anderen Charme hat.

Mantua, die Wiege der Renaissance, der Gonzaga und des Dichters Vergil, ist ein Juwel der Kunst und Architektur, umgeben von Wasser und geprägt von einer glanzvollen Geschichte, die es zu einem Ort der Kultur mit zeitlosem Charme macht. Das Mantova Village lässt sich von all dem inspirieren und bringt seine Einzigartigkeit zum Ausdruck, indem es seinen Gästen ein Erlebnis aus Veranstaltungen, Kultur, Traditionen und authentischen Geschmäckern bietet, das weit über das Shopping hinausgeht.
